Prayer Matters

Pray for the people listed below that they would grow dependent on God through their difficult circumstances and that we as their church family would be able to care for them during these hard times.

Andy Kleager is recovering at home after suffering a stroke.

Send cards to: Andy & Leslee Kleager
3533 Skyline Drive, Scottsbluff, NE 69361

Bill Whitaker had knee surgery this past week because of complications with previous surgeries. His wife, Tyna, is also recovering from health issues and can use a little help getting around...running errands...visiting Bill in the hospital...visiting her mother in the Golden Living Center. If you are able to help Tyna get to those places, call Larry Massie, 225-1827 or 436-7554. It's important that the transporting vehicle be low enough for Tyna to get in and out of easily. Bill and Tyna have endured a lot this last few months...please send them cards and notes of encouragement:

Tyna's dad also recently passed away.

Shanna Steyer's 1 year old baby boy is in the hospital with RSV.
